

Figure 4 shows the Future Aircraft Noise Contours (FANCs) at 1:60000 and 1:8000 scale. The exact coordinates for the Future Aircraft Noise Contours (FANCs) and their respective boundaries are held on the Council's GIS (Geographic Information System). The coordinates are available from the Council on request.

Grey and White stripes = Ldn 1dBA contours between Ldn 60dBA and Ldn 83dBA
