

## **I316 Grafton Precinct**

### **I316.1. Precinct Description**

The Grafton Precinct applies to multiple sites currently occupied by the University of Auckland, a tertiary education facility that provides medical teaching and research facilities alongside student accommodation, healthcare services, care centre and other accessory activities. The primary campus site is zoned Business - Mixed Use and contains buildings of a significant scale located in a campus style arrangement. The remaining sites contain smaller buildings used for accessory activities.

The purpose of the Grafton Precinct is to enable the development and operation of a range of tertiary education and accessory activities, including teaching and research, and catering for the diverse requirements of the student population, employees and visitors. Community use of the facilities is also provided for, including the Auckland District Health Board (Auckland City Hospital) use of the MRI unit and mortuary.

The zoning of the land within the Grafton Precinct is for Sub-precinct A the Business - Mixed Use Zone, for Sub-precinct B the Business - Local Centre Zone and Residential - Terrace Housing and Apartment Buildings Zone and for Sub-precinct C the Residential - Terrace Housing and Apartment Buildings Zone.

### **I316.2. Objectives**

- (1) Tertiary education facilities at Grafton Campus meet the education needs of their students, facilitate research and economic development, and provide for the well-being of employees, students and visitors.
- (2) Tertiary education facilities integrate positively with the wider community and environment and mitigate potential adverse effects.
- (3) Tertiary education and complementary business activities including services and facilities related to Auckland City Hospital benefit from co-location in tertiary education precincts.
- (4) New buildings and structures respond to and positively contribute to the amenity values of public streets, open spaces and surrounding context, thereby reinforcing sense of place.

The overlay, Auckland-wide and zone objectives apply in this precinct in addition to those specified above.

### **I316.3. Policies**

- (1) Enable a wide range of activities and building development in the Grafton Precinct, including tertiary education, research, health, recreation, student accommodation and appropriate complementary and accessory activities.
- (2) Provide for those complementary activities which clearly contribute to and benefit from co-location with a tertiary education facility, including research, innovation, learning, clinics, and related work experience and training.

- (3) Require new buildings and significant additions and alterations to be designed in a manner that:
  - (a) makes efficient use of the site;
  - (b) contributes to the amenity of the public realm where development is located adjacent to a public street or public open space;
  - (c) responds positively to the existing and planned future context of the Grafton Precinct, zones and surrounding area; and
  - (d) responds and contributes positively to the sense of place.
- (4) Require screening or landscaping of waste management facilities, service areas/buildings and parking to enhance their appearance when viewed from adjacent residential zones or the public realm.
- (5) Provide for accessory activities to meet the needs of employees, students and visitors without undermining the function of nearby town centres as the primary location for business activities, and while avoiding, remedying or mitigating adverse effects on the transport network.
- (6) Require new buildings to be designed in a manner that respects any adjacent existing heritage places and provides a high standard of amenity.

The overlay, Auckland-wide and zone policies apply in this precinct in addition to those specified above.
