7301 Telecommunication and Radiocommunication Facilities

Designation Number	7301
Requiring Authority	Radio New Zealand Ltd
Location	2-12 Selwood Road (east of State Highway 16), Henderson
Rollover Designation	Yes

The Proposed Auckland Unitary Plan (notified 30 September 2013)

Legacy Reference	Designation RNZ3, Auckland Council District Plan (Waitakere Section) 2003
Lapse Date	Given effect to (i.e. no lapse date)

Purpose

Telecommunication and radiocommunication transmission facilities.

Conditions

1. Appropriate sedimentation and erosion control measures shall be employed for any earthworks on the designated site.

2. Work which affects the Radio New Zealand Transmitter Building, 2-12 Selwood Road, described in the Historic Heritage Schedule as 00056, shall be limited to:

- a. External repairs and maintenance;
 - b. Minor works to the exterior of the building for the purposes of providing security facilities; and
- Internal works which do not affect the 1930's transmitter equipment.

Such work may be carried out without an outline plan of works.

For the purpose of the above, the following definitions shall apply:

- "Line" has the same meaning as in the Telecommunications Act 2001.
- "Radiocommunication" has the same meaning as in the Radiocommunications Act 1989.
- "Radiocommunication facility" means any mast, aerial, antenna or other structure, facility or apparatus intended for the purpose of facilitating radiocommunication.
- "Telecommunication" has the same meaning as in the Telecommunications Act 2001.
- "Telecommunication facility" means any line, mast, pole, aerial, tower, antenna dish, or other structure, facility or apparatus intended for, associated with, or ancillary to, effecting telecommunication.
