

Schedule 13 Heritage Orders Schedule

The RMA enables heritage protection authorities to make requirements for heritage orders to assist in the protection and conservation of historic heritage places. Details of the processes by which a requirement for a heritage order is considered are set out in the RMA. The RMA requires all places subject to 'confirmed' heritage orders to be identified in the Unitary Plan. Historic heritage places subject to heritage orders are identified in a register of places subject to heritage orders held by the New Zealand Historic Places Trust.

Notices of requirements for heritage orders are identified as plan modifications until such time as the requirement is confirmed by a heritage protection authority, and mapped as a plan modification.*

Any person wishing to undertake works within a place subject to a heritage order, or a requirement for a heritage order, must obtain approval for the works from the relevant heritage protection authority. This statutory protection takes immediate interim effect when a notice of requirement for a heritage order is given.

*Section 175 and 192 of the RMA state that a territorial authority must include a heritage order 'as soon as practicable' once the heritage order has been confirmed by the heritage protection authority and is not subject to any appeals.
