

*NOTE: Once an Icon version of the Plan is available, all 'operative' tags could include a link to the following statement.*

### **Information page (non-statutory)**

#### **Special Housing Area Precincts**

##### Explanation

For some Special Housing Areas under the Housing Accords and Special Housing Areas Act 2013 (HAASHA) the Plan maps and text were varied and are now operative. These operative variations have rezoned land and inserted a precinct. On the Plan maps and text the precincts are shown as 'operative'. Some text in these operative precincts refer to provisions in the proposed Auckland Unitary Plan notified 30 September 2013 (the Notified Version). For all these references, the Notified Version will apply.

The operative SHA variations are:

- Flat Bush Sub-precinct C
- Franklin 2
- Hingaia 1
- Hingaia 2
- Hingaia 3
- Huapai 2
- Huapai Triangle
- Mangere Gateway Sub-precinct E
- Scott Point
- Whenuapai 1
- Whenuapai 2
