

## **I608. Ōrātia Village Precinct**

### **I608.1. Precinct description**

The Ōrātia Village Precinct is centred on the primary school on West Coast Road, Ōrātia. It is the historic centre of the local area and constitutes a loose assemblage of buildings and activities. It has a recognisable village form, but this is incomplete and disconnected with gaps to views of rural Ōrātia. The village is a valued place in the community, providing a centre for local facilities, meeting and socialising. The views north from the village to the forested escarpment, with open rural land in the foreground, make an important contribution to the rural character of Ōrātia Village.

The zoning of land within this precinct is the Rural – Waitākere Foothills Zone and the Open Space – Community Zone. The precinct is also subject to the Waitākere Ranges Heritage Area Overlay.

### **I608.2. Objectives**

- (1) Ōrātia Village remains:
  - (a) a small neighbourhood-scale rural village that supports the social, economic and cultural well-being of the community and is clearly connected to the history, community, and rural character of the heritage area; and
  - (b) an attractive and distinctive small-scale rural village and service centre easily accessed by the local community for meeting, socialising and purchasing their everyday needs.
- (2) Development is confined to the village and the type, location, scale and character of activities provided for maintain and enhance the rural village character and amenity values of the heritage area.

The Waitākere Ranges Heritage Area Overlay, Auckland-wide and zone objectives apply in this precinct in addition to those specified above.

### **I608.3. Policies**

- (1) Require development and subdivision to:
  - (a) protect, restore and enhance the heritage features of the village;
  - (b) be of a small neighbourhood-scale rural village form; and
  - (c) retain the village's amenity values and character.
- (2) Encourage development and subdivision to:
  - (a) support its role as a gateway to the heritage area; and
  - (b) promote the village as a focus for local creative endeavour and innovation.
- (3) Encourage design that reinforces the village's rural setting, and contributes to the local character and amenity of the village.

- (4) Provide adequate separation between buildings and maintain views to the surrounding rural landscapes.
- (5) Provide landscape enhancements that reflect the horticultural-based productive history and character of Ōrātia.

The Waitākere Ranges Heritage Area Overlay, Auckland-wide and zone policies apply in this precinct in addition to those specified above.

**I608.4. Activity table**

The provisions in any relevant overlays, Auckland-wide provisions and the zone apply in this precinct unless otherwise specified.

Table I608.4.1 Activity table specifies the activity status of land use, development and subdivision activities in the Ōrātia Village Precinct pursuant to sections 9(3) and 11 of the Resource Management Act 1991.

A blank in Table I608.4.1 Activity table below means that the provisions of the overlays, zone or Auckland-wide apply.

***Resource Management (National Environmental Standards for Plantation Forestry) Regulations 2017***

If any activity listed in rules (including standards) I608.4.1 to I608.6.3 is regulated by the Resource Management (National Environmental Standard for Plantation Forestry) Regulations 2017 (“NESPF”) then the NESPF applies and prevails.

However, the NESPF allows the plan to include more restrictive rules in relation to one or more of the following:

- Significant Ecological Areas Overlay;
- Water Supply Management Areas Overlay;
- Outstanding Natural Character Overlay;
- High Natural Character Overlay;
- Outstanding Natural Landscapes Overlay;
- Outstanding Natural Features Overlay; or
- activities generating sediment that impact the coastal environment.

Where there is a rule in the plan that relates to any of the matters listed above then the plan rule will apply. In the event that there is any conflict between the rules in the plan and the NESPF in relation to any of the above, the most restrictive rule will prevail.

If the NESPF does not regulate an activity then the plan rules apply.
