

G1. Rural Urban Boundary

The Rural Urban Boundary identifies land potentially suitable for urban development.

The location of the Rural Urban Boundary is a district plan land use rule pursuant to section 9(3) of the Resource Management Act 1991, other than for Waiheke Island where it is an interim regional policy statement method until it is considered as part of a plan change to incorporate the Auckland Council District Plan – Operative Hauraki Gulf Islands Section into the Unitary Plan.

The planning maps show the Rural Urban Boundary line.

The only method for relocating the Rural Urban Boundary is by way of a plan change pursuant to Schedule 1 of the Resource Management Act 1991.

Any relocation of the Rural Urban Boundary must give effect to the objectives and policies of the regional policy statement which establish it.
